Dear Community Member,

The Belmont-Redwood Shores School District, in collaboration with the City of Belmont, invites you to the second of two Community Open House meetings where we will share the proposed improvements to the intersection at Tahoe Drive and Ralston Avenue. The improvements are intended to ease traffic congestion during school drop-off and pick-up, improve pedestrian walkways, and enhance public safety through signalization, signage and expanded turning lanes. All community members, of all ages, are invited and encouraged to participate!

### *About the Open House*

**What:** Learn about the final proposed improvements to the intersection at Tahoe Drive and Ralston Avenue and along Ralston Middle School.

**Where:** Ralston Middle School, Gymnasium  
2675 Ralston Ave, Belmont, CA 94002

**When:** Wednesday, February 15, 6:00-8:00 pm

Open House participants will be invited to visit exhibits of the final proposed improvements. Each exhibit will be staffed by a project team member to collect your feedback.

*You may attend at any time from 6:00-8:00 PM to participate.*

### *About the Project*

This intersection improvement project will take place over four phases: (1) project kick-off, community input and draft plan, (2) draft plan refinement and engineering, (3) construction strategy and contractor selection and (4) construction. Improvements to the Tahoe/Ralston intersection are expected to be complete in Fall 2017.

For more information, please visit the [City's website](#) or the [District's website](#).

We look forward to seeing you on February 15th!

Warm regards,

**Michael Milliken**  
Superintendent
